

## Welcome to another year of great Guiding! Be excited to say "She Belongs Too!"

Have you recruited a new member this year? Girls and Guiders can each earn a maximum of one "She Belongs Too!" badge dated 2009-2010 by recruiting someone to Guiding. While the new member will receive her "I Belong!" badge, the recruiter will wear **both** the "I Belong" and "She Belongs Too!" badges. To honour of 100<sup>th</sup> anniversary, both crests this year are in the colors of all five youth branches.

### Who gets a crest?

- The crest will go to the girl or Guider who recruits someone to Guiding. Both must be entered into iMIS as Members for the current Guiding year.
- Girl and parent helpers, or anyone who is not a registered Member of GGC, does not count as a recruited member. A new or returning Guiding member can only be counted as being recruited ONCE.
- A recruited member can be a friend, younger sister or Mom who joins Guiding or any new volunteer who joined Guiding for the 2009-2010 year anytime after July 1<sup>st</sup>, 2009. It can also be any member returning to Guiding who has been away from Guiding for two years or more. She must have left Guiding by August 31, 2007.

### Where do I get the crest?

- You will receive your "I Belong!" crest from your Unit Guider or your Commissioner.
- To receive your "She Belongs Too!" crest, fill out the attached form and send it to Girl Guides of Canada – Alberta Council.

### Where do I wear my crest?

- The crest is to be worn on the left sleeve of the uniform, above the 100<sup>th</sup> Anniversary crest which is worn just above the hem on the short-sleeved shirts and blouses and just above the cuff on the long sleeved shirts and blouses.
- The two badges, "I Belong!" and "She Belongs Too!" are to be worn one above the other starting with the one you received first above the 100<sup>th</sup> Anniversary crest sewn at the cuff or hem.
- Each fall, the prior year's crest can be put on a camp hat or blanket, over the years becoming a record of how great you are at recruiting!

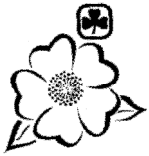

This year let's proudly recruit new members to share in the sisterhood of Guiding!

Wishing you a fun-filled 100<sup>th</sup> year of Guiding!
